

## **OUR MISSION**

*“To provide financial support for Westlake Academy in its efforts to provide students with an internationally-minded education of the highest quality, so they are well-balanced and respectful life-long learners.”*

The Academy relies on Foundation funding for approximately 20% of its annual operating budget. Our initiatives raise **\$1.5 million annually** for school operations, academic programs, teacher training, equipment, technology, and the endowment. Westlake Academy would look very different without charitable contributions!

The Foundation will host the following events during the 2017-18 school year. Our sincere thanks in advance for graciously considering how your family or business will support our students and teachers!
